Dato

The image shows a bento box layout template. It consists of seven compartments arranged in a grid-like fashion. At the top, there are two large rectangular compartments. Below these, there is a central rectangular compartment. To the left and right of this central compartment are two trapezoidal compartments, each wider at the top and narrower at the bottom. At the bottom of the layout, there are two large rectangular compartments, similar in size to the top two. All compartments are empty and outlined with a thin black border.
